📘 iNkNest – Story & Poetry Writing Web App

iNkNest is a multilingual creative writing web application that enables users to write, save, customize, and share their poetry and stories. Designed for both personal expression and public sharing, it supports English, Marathi, and Hindi, and includes customizable themes and PDF export functionality.

🛠️ Project Overview

- **Project Name:** iNkNest
- **Purpose:** To provide a beautiful, distraction-free platform for users to write poems and stories in their native or preferred language.
- **Tech Stack:**
  - **Frontend:** HTML, CSS, JavaScript
  - **Backend:** Java (Spring Boot or Servlet/JSP)
  - **Database:** MySQL
  - **PDF Generation:** iText / Apache PDFBox
